Easy purchase plan

I have decided to roll out a purchase scheme that I have been operating for several collectors where the purchasing of a print can be spread out over three consecutive months.

To take advantage of this way to purchase my work, divide the cost of the desired print by three, send one current cheque with your order and enclose two other cheques post dated at monthly intervals for the remainder.

On receipt of your order the print will be posted first class recorded delivery, flat packed between two stout boards to any address worldwide.

After you have selected your print, please use this form for your order.

Title of print	Cost of print	Total
		£
Table of costs Under £50.00 = £5.50 Under £100.00 = £7.50 Over £100.00 = £12.00	Postage & packing	£
	Total amount	£

Divide the total amount by 3

Write three cheques, one dated by todays date and the next two at one month intervals. Please make cheques payable to M.Atkin

Print out this completed form and post along with your cheques to:

Michael Atkin 'Byways' Low Street, Scalby, Scarborough. YO13 0QW

Once received and the first cheque has cleared, your chosen print will be mailed to you 1st class post by Royal Mail (signed for).

All prints are tripple wrapped in acid free tissue and sandwiched between two stout boards and are sent flat packed. If your package arrived damaged, please do not accept it and 'return to sender'. Terms and conditions are available on my website

Thank you .
